Welcome back for term 2 and a special welcome to the new students and their families who have joined us since school has resumed. I trust that you have been made to feel welcome and that you are enjoying your new environment. With the influx of enrolments we have had to reshuffle some of our primary classes but thanks to Melissa Caruana and the primary staff this was done with much thought but little disruption to the students’ learning.

It was good to see so many of our students participate in the ANZAC Day service and the march. It is through the involvement of our young people that this important commemorative service will continue to be observed. Next year is the 100th anniversary of the landing of Gallipoli and the Department of Education, Training and Employment (DETE) is offering seventy secondary students from throughout Queensland the opportunity to attend the Centenary ANZAC services at Gallipoli and the Western Front (France). Schools are permitted to nominate up to five students from years 8 to 11 for selection. Applications kits can be found at [http://education.qld.gov.au/students/grants/scholarships/anzac/index.html](http://education.qld.gov.au/students/grants/scholarships/anzac/index.html). If you are interested please check out this website.

By now you will know that this year Calen celebrates the fiftieth anniversary of secondary education (and eight-nine years of primary) at our school. The celebration will coincide with this year’s fete which will be held on Saturday 24th May. This is the same day as the Relay for Life event in Mackay which is unfortunate as many of our students march to raise money for this worthwhile cause. However thanks to the support of P&C President Casey Lindsay, our students will take part in the Pioneer Valley Relay for Life in Finch Hatton later in the year. Secondary school captain and cancer survivor Rebecca has been asked to read a poem during the candle lighting ceremony at the Mackay Relay for Life. This is a great honour and I know that Beccy will do an amazing job. She is going to combine her duties as school captain and her commitment to the candle ceremony on the same day.

Last Monday evening five students from our school represented us in the Rostrum Voice of Youth. I was very proud of their efforts. Congratulations to Emma (yr8), Jacob (yr9), Brooklyn (yr10), Emily (yr 12) and Zedd (yr 12). I would like to thank our adjudicators, most of whom are members of Calen Canefields Toastmasters: Mary Wallace; Casey Lindsay; Lynne O’Neill (aka Dr Lynne Mulholland); Sandy Field; Dave Hunter and Jordan Burke.

We have two primary debating teams competing in this year’s competition. Calen 1 consists of Matthew, Harry and Cassidee and Calen 2 consists of Emmalese, Makayla and Kasey. Congratulations to Calen 2 who last night had a victory over St Francis School.

Each week I take a group of six students who have demonstrated an aptitude for English Literature for an English Extension program. Part of this program involves the students writing literature reviews which they broadcast on radio at 4CRM (Community Radio Mackay). Ella, Emma and Gorgia have already made their first presentations and Aaron, Jack and Michael will go on air next Tuesday. Each trio will present once a month and their radio experience can lead to the successful completion of Certificates II in Broadcasting or Creative Industries. Our school has had a proud involvement with students presenting their own programs on 4CRM and the experience has helped many in their chosen professions. If any other student would like to become involved, please see me.
Principal’s Message cont...

This year is the final year that Year 7 will be part of primary school, as 2015 marks the introduction of Year 7s into secondary school. Years 7, 8, and 9 will be the Junior Secondary Department. I know that parents and some students may feel anxious about this step and later this term we will conduct an information evening. I will also be inviting the parents of students who may join us from Bloomsbury, Pindi Pindi, Hampden and Seaforth.

Congratulations to Jorja, Billy, Kasey and Cassidee for making the Northern Highway Cluster Cross Country team. Well done guys and best wishes for the Mackay District finals. Special congratulations to Jorja for winning the 10 Years Girls’ division.

I have obtained permission from Scouts Queensland to develop a scout troop at Calen. Scouts is open to boys and girls in the following age brackets and division:

- Joeys (6 years to 8 years), Cubs (7 years to 11 years), Scouts (10 years to 15 years), Venturers (14 years to 18 years)

You will note that there is a one year overlap between each division/section. This overlap is deliberate as it allows for cubs, for example, to complete the requirements for their “Grey Wolf Award” and for children who may be 10 years old and want to join the scouting organisation to join scouts as opposed to cubs because there may not be enough time to achieve all of the cub requirements for certain awards in that length.

I would like to hear from parents who would like to have their children involved and I would also like to hear from anyone who would like to assist me as scout leaders. I anticipate that this could be done as an Active After School Activity. Membership is not restricted to Calen students, so I would love to hear from interested students from Bloomsbury, Pindi Pindi and Hampden as well.

Brian O’Neill
Principal

Messages from Head of Department

Report cards for Term 1 have been sent home for the secondary students only, no report cards for the primary students. If parents would like to have an interview regarding their child’s report card, could they please contact the school to make an appointment. As the temperature starts to cool, it is timely to remind everyone about the school policy’s for winter uniforms. Winter wear is to be a plain black or green pullover jack/jumper. Plain black or green trackpants, trousers or jeans except tight figure hugging pants and NO BLUE JEANS.

P&C Column

The fete is quickly approaching on Saturday the 24th May 2014 from 4.30pm to 9.00pm. Notes have been sent home asking for volunteers and donations for the fete and thank you for the returns so far. Any enquiries regarding the roster for the food stall or the bar, please email Fiona Schafer at fiona.schafer@bigpond.com. Bottles filled with whatever your imagination can think of, can be dropped off at the school’s administration office. The trash and treasure stall are taking donations and again these can be left at the office. Don’t forget to buy your prepaid ride armbands for $20 (giving you 4hrs unlimited access to the rides at the fete) - armband orders can be left at the office up until 21/05/14. The P&C are also looking for recycled plastic shopping bags to be used at the stalls during the fete. Can please bring in any unwanted shopping bags to the school office. The souvenir 50th anniversary tea towels have been printed and an example is on display at the Calen College’s office foyer if anyone would like to have a look at the masterpiece. The Gold Coast Holiday Raffle is the P&C’s major fundraiser for the year being held in conjunction with the annual fete. Legally we need to account for each ticket issued. Please return all monies and tickets (including unsold tickets) to the school admin office by 16th May 2014. The next P&C meeting will be Tuesday 13th May 2014, starting at 3.15pm in the College’s administration staff room.

CROSS COUNTRY NEWS

On Friday 29th March 2014 the Primary school held their Cross Country Carnival. It was a hot day but all participants gave it their best with some excellent results. The winning house was Mercury with 111 points overall, with Neptune following on 105 points. A very close result, indicative of the fantastic participation by both teams and excellent house spirit.

Thank you to all the teachers, teacher aides and groundsman for their work on the day as well as all of the behind the scene work involved in setting up and organising the carnival—particularly Chris Simpson and Vicki Black for their huge effort.

Amanda Dick, Primary HPE Teacher

Calen North Coast District Cross Country Trials

On Wednesday 7th May 2014 some of our primary students travelled to Seaforth State School to compete in the Calen North Coast Cross Country Trials. This was a trial for selection into the Calen team to travel to Sarina for the next round. Well done to Jade, Jorja, Billy, Cassidee and Kasey who were successful in making the Calen Team—they will now compete at the Mackay and District Trials at Sarina on Tuesday 20th May 2014.

NAPLAN TESTING—YEARS 3, 5, 7 & 9

On Tuesday 13, Wednesday 14 and Thursday 15 May, students in Years 3, 5, 7 and 9 will take part in the National Assessment Program—Literacy and Numeracy, or NAPLAN, as it is commonly known. Skills that will be tested include: reading, writing, spelling, grammar & punctuation, and numeracy. These tests are done at school and are considered just another part of the curriculum. It is important for you and your child to know that NAPLAN is not a pass/fail test. It simply looks at what level students are achieving in literacy and numeracy against National Standards and compared with student peers throughout Australia.

NAPLAN cannot be studied for and students are not expected to do so. The best way you can help your child prepare for NAPLAN is to let them know that it is just a routine part of their school program, and to urge them to do the best they can on the day. Later in the year you will receive an individual student NAPLAN report that you can use to view and monitor how your child is progressing. More information is available on the NAP website (http://www.nap.edu.au/). If you have any concerns, please contact the Principal.

MATER HEALTHCARE CAREERS EXPO

The Mater Hospital is undertaking its annual Healthcare Careers Expo for school students in years 11 and 12 who may be interested in a Healthcare career. The year the evening is scheduled for Tuesday 20th May 2014 from 5.30pm—7.30pm. The evening will be an ‘Expo’ format to allow the participants to browse through the stands at their own leisure throughout the stipulated time and enjoy the advice that will be available through the Healthcare professionals.

SENIOR’S 10KG CADBURY FUNDRAISER

The 10kg Cadbury Chocolate was raffled on the 31/03/14 and the lucky winner was Demi. The year 12 class would like to thank everyone who supported their end of year formal fundraising event.
ADF CAREERS EXPO

On Friday 23rd May 2014 our year 10, 11 and 12 students have been invited to Townsville to attend the ADF Careers Expo. This expo will show students the full capability of the three arms of the defence forces. A bus will collect the students from the school at 7.00am and travel to Townsville where the students will have the chance to talk directly to ADF members serving in many different roles. There will also be demonstrations and interactive activities available for them to touch, use and view. There will be opportunities to get up close to many platforms that the general public are unable to see as well as the prospect to walk through a serving Naval vessel and get up close to an Army Helicopter. This expo is the largest ADF Careers Expo that North Queensland has seen for an extremely long time. A select number of students will also have the opportunity to try out a flight simulator.

This is an excellent opportunity and is free for students to attend. Students will need to take some food to eat and their water bottles. If you child would like to attend they MUST return the combined permission form/medical form by Monday 12th May 2014. At this stage we are unsure of the exact arrival time back in Calen. If you have any queries please contact Sergeant Sally Holland (Tel: 47260282) (Fax: 0747213827) (Email: sholland@dfr.com.au).

MACKAY SOFTBALL ASSOCIATION

Mackay Softball Association are seeking junior players for the 2014 season.

Under 12 players and C Grade junior players (experienced or not) are encouraged to come along and play this 2014 season. All games are played at the Theo Hanson Softball Fields, Beaconsfield Road Andergrove on a Saturday. Clubs train one afternoon per week. U/12 play at 12 noon and C Grade play at 1.30pm. The season commences 17 May 2014. Please contact a club member for further details

MEDIC ALERT

MedicAlert Foundation is committed to protecting the health of all Australians. As part of this commitment, we have developed the MedicAlert in Schools program.

The MedicAlert in Schools program is designed to:

- Help students living with medical conditions, allergies and special needs by ensuring they are as protected as possible both inside and outside of school hours.
- Provide an additional aid to school staff to quickly identify a student’s medical conditions, allergies and/or special needs so they can provide quick treatment in an emergency.
- Give parents extra confidence by knowing their child’s important medical information is immediately visible in times of medical emergency.

Catalogues and flyers with additional information are available from the school display board in the office.
Building Resilience

All parents want what is best for their children. Sometimes though, in our endeavour to protect our children, we take control of a situation, and make decisions, that are not always in our child’s best interest. Michael Grose (Parenting Educator) talks of 7 resilience robbers that reduces a child’s development of resilience.

**ROBBER 1 - Fight all their battles for them**
This should be the last resort not the first option. We want our children to have strategies that will help them manage difficult situations. Solution: Give kids the skills and opportunity to develop their own resourcefulness. Remember there are always 2 sides to a story. Be the consultant not the problem-solver.

**ROBBER 2 - Make their problem your problem**
Sometimes adults can take too much responsibility for issues that are really up to the child to work out or decide. Solution: Know when to make their problem their problem.

**ROBBER 3 - Give kids too much voice**
It is easy to go overboard and allow children too much of a say in what happens to them. Remember you are the adult. Solution: Know when to make decisions for kids and expect them to adjust and cope.

**ROBBER 4 – Put unrealistic or relentless pressure on kids to perform**
Expectations about success and achievement are important but they must be realistic. Solution: Keep expectations in line with a child’s ability. Excessive pressure can create mental health issues.

**ROBBER 5 – Let kids give in too easily**
Solution: Encourage kids to complete what they have started and put in the best effort even if the results aren’t perfect, nor the task significant.

**ROBBER 6 – Neglect to develop independence**
By teaching kids the skills to look after themselves you are setting them up for life. Start early. Kids who have a sense of independence (but family readily available) feel good about themselves and their abilities. Solution: As a parent if you weren’t around what skills would you like your child to have eg. for younger – dressing themselves, washing up, unpacking their school bag; for older – making their school lunch, cooking, cleaning, using appliances.

**ROBBER 7 – Rescue kids from challenging or stretching situations**
When things are outside the comfort zone we tend to want to avoid them eg. doing a presentation in front of others, school camp. When you show confidence in a child and skill them up to face challenges you will not only help them to cope but their abilities may even surprise them. Solution: Overcoming challenges enables kids to grow and improve.

In life there are many hardships that occur at any age. By skilling up a child to deal with them effectively you will create independent children that are mentally strong and resilient, and so able to enjoy life no matter what is put in their path. Isn’t that what we want for all our children?

Adapted from Resiliency Robbers by Michael Grose

This is the ‘High Five’ – a life skill tool. Please practise this with your children.

STUDENT RESOURCE SCHEME (SRS) FEES

Student Resource Scheme (SRS) fees and subject fees have now been invoiced for the 2014 school year and were due for payment on 31/03/14. If were unable to meet the payment deadline or wish to enter into a payment plan, please contact our administration staff who will be very happy to assist you. For those already on a payment plan the second instalment for Term 2 was due for payment on 02/05/14. Statements have now been sent home to families to show what amounts are outstanding. Please remember that students will not be eligible to take home projects which they have constructed at school or participate in extracurricular activities (reward days, camps, excursions etc) if they have fees outstanding or they have not filled in the payment plan section of the Participation Agreement Form.

LOST OR MISPLACED

Debbie Lamb has lost or misplaced one large URN (200 cup capacity). The urn is still in its box which is pink and white. The box has Debbie’s name on it but the urn doesn’t. Please contact Debbie Lamb on her mobile 0407 022 906 if you have it or know where it might be.
Calen Dsc—CULTURAL Group

When: Every Second Friday Lunch time
Starting: 23rd May 2014
Where: A10 Classroom
(Mrs Donovan’s/Mrs Pinkney’s Room)

Everybody Welcome....

Come along have some fun, learn some of the cultures of our First Australian people, A boriginal, Torres Strait, South Sea Islanders, enter the N A D I O C coloring competition ... . . . . Hope to see you there . . . .
WALK TO SCHOOL DAY

The annual National Walk Safely to School Day (WSTSD) is coming up on Friday 23rd May 2014. The objective of the day is to encourage parents and carers to walk to school with primary school age children and reinforce safe pedestrian behaviour; promote the health benefits of walking and help create regular walking habits at an early age; ensure that children up to 10 years hold an adult’s hand when crossing the road; help children develop the vital road-crossing skills they will need as they become mature pedestrians; reduce the car dependency habits that are being created at an early age. For more information go to www.walk.com.au

C&K CALEN KINDERGARTEN

The new C&K Calen Kindergarten located on the grounds of Calen District State College, is now open. Children turning 4 years of age by 30 June 2014 are eligible for kindy this year. The Kindergarten operates on a 5-day fortnight, opening on Wednesday-Friday one week and then Thursday-Friday the next week. The Calen C&K Kindy can be phoned directly on (07) 4958-8403 or email at calen@candk.asn.au. Enrolments are currently being taken for the 2015 calendar year. For more information phone 1800 177 092 or complete an online waiting list at www.candk.asn.au/caled

QUOTA INTERNATIONAL

QUOTA International of Mackay’s Rural North invites you to attend......... Practical First Aid for Carers of Young Children. This information session will be conducted by Qld Ambulance Trainer Stuart Sinclair. It is a FREE COMMUNITY EVENT to be held on the 17th May 2014 at the Calen District State College—commencing at 10.30am with an expected finish time at around 12pm. Light refreshments will be supplied and babysitting will be available. Bookings are essential—see either Kerry at Calen Post Office or phone mobile 0427 083 164 or phone Iris on 49474149.

CALEN & DISTRICT RED CROSS

The Calen & District Red Cross will be holding their annual JUM BLE SALE on Thursday 29th and Friday 30th May 2014 at the RSL Hall Calen from 9.00am until 12.00 noon. Items for sale include mens, boys, ladies, girls, children and infant clothing, kitchen, bathroom and bedroom items (including curtains, linen & doonas) and all types of household odds and ends. Items for the sale may be dropped at the Hall on Tuesday 27th May or on the days of the sale. Volunteers are needed on Tuesday 27th May to help set up and price items. We would appreciate your help any time after 9.30am. Any enquiries, please call either 49588169 or 49588052.

Thank you.
News from the Music Room

On Monday night, six of our talented Year 5, 6, 7 students participated in the 22nd Regional Choral Festival. This event saw around 400 students from across the Mackay region performing a range of choral songs at the MECC. They had been practising for many weeks and after a big Sunday & Monday of practising, they finally had the chance to show everyone what they could do. Our students represented Calen with pride and they should be proud of their excellent effort and enthusiasm. Well Done Ladies!

ACTIVE AFTER SCHOOLS PROGRAM

Active After School’s Program commenced for Term 2 on Tuesday 6th May 2014. The program will run as follows:

Tuesday
Touch Football, with Mr Shane O’Keefe from 3pm to 4pm

Wednesday
Ball Games—a variety of activities for fun and fitness
With Mr Nik Ray from 3pm to 4pm

Thursday
Ball Games—a variety of activities for fun and fitness
With Mr Nik Ray from 3pm to 4pm

If you have already completed a form for 2013, there is no need to complete another form. Please make sure you let Mrs Spreadborough know of any changes to contact details, though, as our system is not connected to the school system. Students will meet in the CPA after school to be marked off the roll before the session begins. Parents can pick their child up from the CPA or from the front of the school at 4pm. Please try to be on time for picking your child up.
