A major highlight of this term has been the celebrations for the fiftieth anniversary of secondary education at Calen which was held in conjunction with the annual fete. It was wonderful to see so many former students and teachers return to reconnect and reminisce. Of particular note were the members of the original year 8 and 9 classes from the Calen State School’s Secondary Department in 1964. These past students returned in force and one of their original teachers Mrs Helen Richards (formerly Miss Helen Richardson) was in attendance and shared her memories of the start of her teaching career at Calen.

It may appear strange that I have written original “year 8 and 9 classes from the Calen State School’s Secondary Department” since a year 9 class would have had to have been a year 8 the previous year and this in turn would mean that the 1964 year 8 was not an original one at the school. This paradox can be explained by the fact that in 1963, year 8 was actually part of primary schools in Queensland and was termed “Scholarship”. In 1964, year 8 was moved into secondary school and secondary education became universal, that is it could be accessed by everyone and the learning age was increased. This is why 2014 marks the fiftieth anniversary of so many secondary schools around Queensland – so many had to be constructed to meet the demand and need for secondary education.

2014 is also significant because it marks the final year of year 7s being part of secondary school. As I have mentioned previously, from 2015, year 7s will be part of the Junior Secondary sector of secondary schools. Next term we will conduct a Junior Secondary Information Evening to not only present an overview of the Junior Secondary model which will operate at Calen, but also to answer any of your concerns. This evening will be for parents of students who will be in years 7, 8 and 9 in 2015. At this stage I can tell you that Mr Ron Duncan will be returning from leave and will be a Junior Secondary core teacher next year. While Ron has been on leave he has given up some of his leave to attend the Junior Secondary training.

I have been absent a fair bit of the past month. I attended a Central Queensland Regional Workshop for secondary teachers regarding Junior Secondary in Yeppoon, a Junior Secondary Pedagogical training workshop in Mackay and a three day Central Queensland Regional Principals’ (primary and secondary) conference in Gladstone. During this past week I have been involved as part of a Junior Secondary Peer Review team to assess whether schools in the Mackay district are ready to welcome year 7s into their schools.

Sue Spreadborough (Head of Department – Curriculum) has also been absent for the past fortnight. Unfortunately Sue has been ill and we wish her a speedy recovery. I would like to thank Danielle Ward for stepping up to take on the role of acting HOD while Sue has been away and for acting as Principal while I have been away as well.

In an earlier newsletter, I informed you that Anton Richards would be working at Regional Office for one day a week in order to develop his Student Support System computer program for use throughout the region. He has now been seconded full-time to Regional office to work on this program and I would like to take this opportunity to congratulate Anton on this wonderful opportunity and his amazing program and to thank him for everything he has done for our students and for the collegial support he has given our teachers.

I would like to give a big welcome to Miss Jasmine Neyland who has travelled up from Stanthorpe to replace him. Thank you, Jasmine and welcome. We hope that you will have an enjoyable time with us. We also welcome Mr Greg Cannon who is on a short term contract replacing Mrs Sandy Gardner as she recovers from her operation; Miss Ashleigh Fournakis, a student teacher from the Australian Catholic University, who is working with secondary English Communication, Business and Accounting students; and Miss Jodie MacGregor, a student teacher from CQU (Mackay) who will be working with Mrs Julie Hall and her year 2/3 class.

This is also a reminder if anyone is interested in having their children join a scout troop in Calen as I am attempting to form one. Joey Scouts are for boys and girls between the ages of 6 years and 8 years; Cub Scouts range between the ages of 7 and 11 years and Scouts are for boys and girls between 12 and 14 years. Venturers are for boys and girls between 14 to 18 years. If you are interested please contact me as I need names before I can proceed.

Have a great fortnight, Brian O’Neill, Principal.
A huge thank you to all of the supporters of the combined Secondary 50th Anniversary and School Fete, recently held on Saturday 24 May. It was a memorable event thoroughly enjoyed by everybody.

Just a reminder that the next P&C Meeting will be on Tuesday 10th June 2014, commencing at 3:15pm in the staff room of the administration building.

Also the P&C will be running the BBQ for the Interhouse Sports Carnival on the 18th June, so helpers are desperately needed as well as donations of home cooking.

Students aged 9-12 will be running the 800m event on the 12th June during classes/lunchtime. If they are away for this event they will not be able to place or receive points for their house. The Athletics Carnival will be held on Wednesday 18th June for primary and secondary students.

Primary students have competed in high jump at school. Due to the late notice for this event students who were away may compete in this next week. They are to organise a time with Mr Ray when the high school students compete in their high jump. Congratulations to all place getters and participants for earning points for your team. Some great results!

The following dates have now been set for the upcoming athletic carnivals. Both the Interhouse Athletics Carnival and the Cluster Athletics Carnival will be held at the Calen District State College oval.

Wednesday 18/06/2014—Interhouse Athletics Carnival (Neptune – v– Mercury for both primary and secondary)
Thursday 26/06/2014—Cluster Athletics Carnival (primary schools within the Calen cluster compete against each other)

Students will be required to wear their school uniforms for both of these days. House colour shirts may be worn for the Interhouse Athletics Carnival.

POLICE ADVICE—BUS ZONES

Calen Police have received a number of complaints from members of the public and bus drivers. These complaints have centred around members of the public using the Bus Zone outside of Calen District State College as a drop off zone for their children. The Bus Zone must only be used by school buses between the hours signed. Police Officers will be increasing patrols and infringement notices will be issued.

TRAINEESHIP

A rare opportunity exists for a trainee Security Technician with Advanced Alarms Mackay to begin in 2015. We install and service alarm and camera systems. It does allow the person to work and live in the Mackay region. Skills that will be required to be learnt:

- Ability to talk directly with clients – mature, groomed, confident, good English.
- Fault finding of security and camera systems – good math, analytical.
- Installation- ladders/scaffold - not afraid of heights or confined spaces.
- Programming- comfortable with IT and has good comprehension skills

We service a broad range of clients from all walks of life; including, doctors, lawyers, accountants, schools, government departments, home owners, industrial & commercial. We encourage year 11 & 12 students (age 16+) to contact their school workplace officer or contact us directly at security@aamky.biz.

RELAY FOR LIFE

Our school has registered a team for the 2014 Pioneer Valley Relay for Life. For all of those who have not been to a Relay for Life, it is an overnight event that is an opportunity for our students to get together with the community and celebrate cancer survivors, remember loved ones lost to cancer, and fight back against the disease. Our teams will raise money for the Cancer Council and on the day our team will relay around a track for a total of 18 hours. The team members will take turns to keep a baton moving in a relay style all night. If you are unable to stay for the whole night it doesn’t matter as any time you have to relay will be greatly appreciated as it feels like such a long night. It will be held at the Finch Hatton Showgrounds on the 13th and 14th September 2014. If anyone is interested please see year 12 student Rebecca Attard or contact the Calen P&C President Mrs Casey Lindsay.
ICY CUP FUNDRAISER

Thank you to everyone who has already supported the year 12 icy cup fundraiser which commenced on Monday 2nd June 2014. The year 12 students are still selling icy cups for $1 each at the Barbeque Area, as part of their fundraising towards their end of year formal. All students and teachers are welcome to buy the icy cups.

UNDER 8s DAY

On Friday 23rd May the Prep/1/2 classes journeyed off to Hampden State School for the annual Under 8s Day. Classes from Coningsby, Calen and Hampden gathered together for the morning. Activities such as bubble blowing, threading, playdough and kite making were among some of the fun choices for the students to experience. All students thoroughly enjoyed the experience. Special thanks to Olivia and her team from Hampden for hosting the morning.

CHANCE TO ADVERTISE IN NEWSLETTER

If you would like to place an advertisement within the pre-printed newsletter stationery, as shown on the back page of this edition, opportunities are available for the 2014 editions. Please contact AustNews via the details listed below if you are interested.
BREAKAWAY HORSE RIDERS MACKAY

Breakaway Horse Riders Mackay – Junior Program 2014

Got a horse or a pony?
Want to learn new skills & keep having fun?
Join us for 1, 2 or all of our Junior Program events

These activities are open to prospective & existing adult & junior Breakaway members
Nominate before June 9, 2014

Co-ordinator: Mec Green 0405034390
mecgreen@yahoo.com.au or breakaway.seo@gmail.com

FREE...
for all junior (5-16) & adult riders/questioners new to the club. Normal ATHRA Day Membership of $25 is WAIVED

AND THERE’S MORE...
Sign up and become a Breakaway member at one of these events and get a $50 club membership discount. Horses $35 Adults - $55

AND receive a voucher for safety gear (minimum vote)

Over two weekends we will give you a taste of the ins and outs of the following horse sports from people who are experienced in these:
- Team-penning – teach your horse to watch, move with and ‘cut’ or separate a cow from a group and herd it into a pen. There are three members to team and each team needs to cut 3 cows and herd them into a pen within a certain time period. We’ll start using a mechanical cow...its great! Learn from experienced ATHRA Trail Bosses & team- penning!
- Trail Riding – learn about horsemanship, horse behaviour, negotiating terrain and have fun safely, under an accredited ATHRA Trail Boss & Ride Stewards
- Endurance Riding – you will learn more about managing your horse over distances and through events than you ever knew before from QERA (Qld Endurance Riders Association) accredited endurance Chief Stewards, experienced endurance riders and an Equine Vet.

Program Details: Directions to properties and further details will be provided after nominations are received

All riders/horse to carry halter & lead rope...Riders U16 must wear approved helmet & it is a recommendation that all riders wear a helmet... All riders U16 to be accompanied by riding guardian... This program is sanctioned by ATHRA & conducted under ATHRA’s Code of Conduct – (www.athra.com.au). It is recommended that all riders wear full length trousers, sleeved shirts & sunscreen. All riders are required to wear suitable footwear that prevents feet from sliding forward through stirrup irons. Ribbons in horse tails: Green - for young horse or rider. Red - for horse that kicks or prone to kick.

Riding ability: Trail Endurance riders must have basic ability to walk & trot, either unsupported or on a lead rope. Team penning participants must have a sound riding ability which includes competent walking, trotting and cantering independently. Accredited event Trail Bosses & Stewards will assess the ability of all riders before participants can move to the next or higher level in all events (this will include chasing a bear).

Managing Difficult Moments

Parenting is a tough job, but one of the most rewarding we will ever have. With a few strategies the difficult moments can be managed more positively. Praise and other kinds of acknowledgement are motivating, and are often needed to help children (and adults) change their behavior. Psychological research has shown that following up a person’s good behavior with something positive makes it more likely that the behavior will happen again, but is this enough?

The following suggestions will also contribute to a calmer household:

Pick the battles
- Especially as children get older the battlefield can, if not monitored, become ‘out of control’ – As children grow and assert their independence they, at times, push the boundaries. Friends and technology become a focus rather than family; safety can be ignored; messiness and mood changes can create disharmony in the family. Picking and choosing which battle to tackle is an art to acquire. Here is a tip – Focus on the most important issue at any one time rather than a plethora of problems.
- Remember: Safety is a priority not to be negotiated. If children / adolescents perceive that nothing they do is right then often they give up listening.

Be clear in your expectations
- Is what you have asked your child/ adolescent to do clear enough? Saying ‘I want you to pick up the clothes off the floor in your room’, is clearer and achievable than ‘your mess is annoying me’.

Ensure the expected behavior is realistic and achievable
- Sometimes we ask children to do things that are too difficult for them to do without help eg. expecting a child to be in charge of young siblings is not realistic nor safe

Monitor your own behavior
- Are you managing your own emotions when you are requesting your child to do the same (yelling at a child because of their angry outburst is actually reinforcing that yelling and loss of control is ok)
- Do you say one thing and do another (eg. getting annoyed about mess when you are messy)

Catch Your Child/ Adolescents Being Good
- Keep a record of the behaviors you are pleased with and share the positive observations with your child

Have reward strategies up your sleeve for those ‘hard to change’ behaviors:
- Ask your child about what they like. If they suggest the reward, it will be more motivating.
- Make sure the reward is realistic for you to give (and preferably not costing money)
- If the child becomes bored by use of the same reward, use a menu of items to create variety. When your child meets his/her behavior expectation, he/she selects one reward from the menu.
- A mystery reward is also very motivating for most children.
- If a child wants to earn a big reward (eg. computer game, movie, etc.), you could use a token system. Each day he/she could earn tokens that can be exchanged later for a bigger reward.
- Emphasise social rewards and privileges over material rewards. Material rewards (eg. toys, money, etc.) are expensive and often don’t work. Many children enjoy having time to spend with their parents or carers. Rewards involving time and activities with parents or carers (no matter what age), can be reinforcing and promote good relationships at the same time

Follow through with consequence
- Is it fair and related to the misdemeanor
- Does your child understand why they are given the consequence
- Will there be opportunity for your child to learn from their mistakes eg. parent /child discussion about the problem at hand, problem solving with your child around better choices, and if necessary, role playing of appropriate behavior

Homework for the week ahead: YES HOMEWORK!!!
Double the amount of praise you give your child for his/ her good efforts in the coming week, and monitor its success. Keep a track of negative responses you use in conversations with your child. (You may need to expand your own vocabulary so you have a variety of positive comments ready to encourage your child).

If you have reached this line, then, well done for taking such an interest in reading these strategies. Good luck with your implementation and enjoy your kids.

…..Karen
EVERY DAY COUNTS

CLASS TRACKER

The Year 9 class has achieved the most days at 100% attendance this edition with 13 days recorded for the period. With this latest addition, the Year 9 class are leading with a total of 52 days at 100% attendance for the Semester—as you will see from the progressive totals displayed in the table to the right.

STUDENT RECOGNITION

Listed below are our students who have been presented with either an award certificate or have been given recognition during assembly for positive behavior between the period 12th May to 6th June 2014. Well done!

CALEN & DISTRICT RED CROSS

The members of the Calen and District Red Cross Branch wish to thank the public for donations and purchase of items at our recent JUMBLE SALE. Volunteers who help in any way are appreciated. We now set up and mark items for the sale on the Tuesday before the sale. Several bags of rags at $1.00/kg are still available. Any enquiries, please call either 49588169 or 49588052. The grocery raffle winner was Mrs Janet Jorgensen. Thank you.
HEADING

News from the Music Room

On Monday night, six of our talented Year 5, 6, 7 students participated in the 22nd Regional Choral Festival. This event saw around 400 students from across the Mackay region performing a range of choral songs at the MECC. They had been practising for many weeks and after a big Sunday & Monday of practising, they finally had the chance to show everyone what they could do. Our students represented Calen with pride and they should be proud of their excellent effort and enthusiasm. Well Done Ladies!
