Welcome back to Term 4! I will be filling in for Brian for the first two weeks of this term as he is on a study tour in America as part of his research into rural and remote schools. If you follow Brian on Facebook you will see that he is having a fabulous time and visiting many different types of schools to gain first-hand knowledge of how they operate.

This term we have welcomed nine new enrolments to our school and it is wonderful to see all of the students fitting in with their classmates.

Students who undertake Senior Authority subjects have had the work they have completed to date sent to Mackay for Verification. On Monday 19th October teachers from throughout the District will meet to compare work from the various schools in our District to ensure all students are competing on a level playing field. On this date our Primary staff will also be conducting Moderation of students work with schools in our cluster. Our year 7 – 9 teachers will also be conducting Moderation of work completed in these year levels with other teachers from our school. This day will be a Student Free day to allow all teachers to attend.

On Monday 12 October several of our upper primary and secondary students will attend a session on Cyberbullying being conducted Sgt Nigel Dalton the District Crime Prevention Coordinator. A parent session will then be held on October 19th at 6.30pm in the school Library. I attended an earlier session and was quite surprised by the information that I learnt, therefore please do your utmost to attend and listen to these important messages.

Glenden School will be joining us next Thursday and Friday for two days of sports and socialising. This is an annual tradition with our school travelling to Glenden every second year. Students are encouraged to participate in the full two days and if possible, take a billet from Glenden. Over the years our students have made life-long friends with students from Glenden.

Our year 10 students are currently completing a Certificate II in Skills for Work and Vocational Pathways that will provide them with more information on making good career and subject choices next year. This will be reinforced at our Subject Selection night on Tuesday 20th October commencing at 5.30 pm. Parents and students currently in year 8 and year 10 are invited to hear about the opportunities available at Calen.

Of course October would not be complete without our annual Calen Classic Fishing Competition. This is always an exciting weekend and the year 11 and 12 Marine Studies class led by Shane O’Keefe has been working hard on ‘What’s the Catch’ to promote sustainable fishing. I look forward to their display at the competition.

We have had some excellent sporting achievements over the holidays as well and two of our students, Varonica and Nakeda will be travelling to Hawaii to represent Australia at the World Cheerleading championship.

Reagan (year 9) has been selected for the Under 15s Queensland Hockey Team.

Congratulations to these three students and if I have missed anyone, please phone the office or send us an email at admin@calendsc.eq.edu.au so that we can acknowledge the great achievements of our students!!
SAFETY – I am very concerned that a student will be run over by a vehicle in our school grounds!!

WHY – Parents are driving into the school grounds to drop off and collect students and this adds to the vehicular traffic when 200 students are trying to arrive or leave. Parking within the school grounds is only available for employees of the school as the majority of these people arrive before and leave after the students.

Students and parents walking through the double driveway gates at each end of the school – please stick to the pedestrian gates (small ones) so that you are not walking behind cars that may be reversing!

Parents parking on the opposite side of McIntyre Street and encouraging their children to cross between the buses are creating another hazard, if you park on the opposite side of the road please ensure your children are crossing away from the buses. There is plenty of parking down past the Church or in the Church grounds (when it is dry) so that students do not have to cross the road.

Please help to keep our school safe and if you do witness a dangerous incident let us know so that we can attempt to stop it happening again!

Sue Spreadborough
Acting Principal

P&C COLUMN

Hopefully everybody enjoyed their holidays and are ready for the last term of the year. Please come along to our next P&C Meeting on Wednesday 14th October to see what we have planned for this term. The meeting starts at 3:15pm and is held in the staff lounge room of the school’s administration building.

Casey Lindsay
President

OLD STYLE UNIFORM SHIRTS TO GIVE AWAY

We still have some brand new ‘old style’ uniform shirts (not the current and new shirts) available to give away. The updated quantities and sizes available are listed below:

<table>
<thead>
<tr>
<th>QTY</th>
<th>Size and Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>2</td>
<td>Size 4 Shirts</td>
</tr>
<tr>
<td>7</td>
<td>Size 6 Shirts</td>
</tr>
<tr>
<td>3</td>
<td>Size Small Shirts</td>
</tr>
<tr>
<td>1</td>
<td>Size 26 (4XL) Shirt</td>
</tr>
<tr>
<td>2</td>
<td>Size 14S Shorts</td>
</tr>
</tbody>
</table>

These items will be disposed of “as first in, best dressed” - please collect from the school office.

FRIDAY SPORTS

Every fortnight on a Friday for periods 7 and 8, the secondary students have an opportunity to play sports instead of their normal classes. This term the sports choices were: swimming; gym; art and craft; or assignments. Students are reminded that if they have chosen swimming as their sport, they will need to pack their swimming kit and bring to school on these dates:

Friday 16th October, Friday 30th October, Friday 13th November, Friday 27th November, Friday 4th December

STUDENT MESSAGES

Parents and guardians please ensure your children are aware of their travel plans and afternoon appointments before they leave for school. For urgent messages and emergency travel changes, you are welcome to call the office with a message to be relayed to your child. Please note that all messages need to be given to the office no later than 1:40pm, to ensure that it can be passed on during the last form for the day.

STUDENT ABSENCES

An easy way to let our school know of student’s absence is to email your child’s name, year level, duration of absence and reason for absence to admin@calendsc.eq.edu.au Parents are welcome to continue using the school’s telephone (07) 4949 7333 or send our administration team a written absence note. If your child has unexplained absences for consecutive days our school will call or email, please ensure you have your contact details - mobile phone number and email address, up to date at all times.

STUDENTS ARRIVING EARLY

Students are not to arrive at school before 8:00am, because there will be no staff members available before this time to provide supervision.

YEAR 12 FORMAL REMINDER

Just a reminder that the Year 12 Formal is approaching very fast. This year the formal will be held at Magpie’s Sporting Complex in their Sky’s Function Room on Friday 20th November 2015. All RSVPs (including guest’s names and full payment) need to be returned to the school office no later than Wednesday 4th November.
GLENDEN SPORTS EXCHANGE

The Calen/Glenden Exchange will be held on Thursday and Friday the 15th and 16th October. This exchange has been operating for many years and students enjoy two days of fun and sport with the students from Glenden.

The two days are sponsored by the Student Council but we ask our students to contribute $5 each to the two days and we supply them with lunch on both days and morning tea on the Friday. As you can see this is great value for money!!!

Permission forms have been sent home and need to be returned with payment to the school. All students are expected to attend for the two days and a note must be sent to explain any absences. In previous years students have been billeted out and we are therefore seeking your help with this. If you can take any students please fill out that section on the permission note.

SECONDARY DISCO GLENDEN EXCHANGE

As part of the Glenden Exchange, the Secondary Student Council will be hosting a Disco. Theme will be Glenden Exchange Free Dress and the Disco will be held at the Calen RSL Hall on Thursday the 15th October from 6:00pm until 9:00pm. The cost is $8 for Calen students and free for Glenden exchange billets - for this price students will receive entry and one free toasted sandwich. Items available to purchase include softdrink $2, lolly bag $2, extra toasted sandwiches $2 and glowsticks 50c

Staff will be on duty to ensure your children have a safe and fun time. School rules apply and any student breaking these rules will be excluded from discos for the rest of the year. Students showing up under the influence will have parents and Police contacted. Students wishing to bring friends of school age that are not currently enrolled at Calen, need to be cleared through Mr O’Keefe before the night of the disco and preferably 2 days prior. These students need to abide by our school rules and follow all staff instructions. Please pick your children up on time ..... 9pm

CYBERBULLYING

Do you care about your child/ren??

Do you really understand

Cyberbullying

Would you like to find out the latest information for keeping your children safe in our Cyber world?

THEN JOIN US AT: Calen District State College’s Library
WHEN: Monday 19th October 2015
TIME: 6:30pm
WHO: Parents who are concerned about their child’s safety
PRESENTED BY: Sgt Nigel Dalton,
District Crime Prevention Co-ordinator, Mackay Police

Tea and coffee and some nibbles will be provided by the school
**NEWS FROM THE SCHOOL NURSE**

Mental Health week aims to reduce the stigma associated with mental health issues by encouraging people to talk about mental health and recognise when someone needs help, so we can promote early intervention and treatment if required. You may have noticed the subject on television a lot this week. There is a Mental Health Fair on Saturday 10th October, between 4pm-10pm at Mackay Show Grounds to further let people know where they can get information and assistance.

Headspace Mackay specifically targets Youth Mental Health services for young people aged 12-25 years. Headspace is about making sure the young people of Mackay have the best access to support, information and services for their health and wellbeing. You can phone to make an appointment on 48982200 or via the website http://headspace.org.au/headspace-centres/mackay/

Ann Templer  
School Nurse

**CALEN CLASSIC FISHING COMPETITION**

The Fishing Competition will be held on the weekend of the 24th and 25th October. The tides look great and we are sure that plenty of fish will be caught. The event will be held at the St Helens Bowls Club – this provides a shady, safe environment for the children and keeps everyone off the road. There will be burgers, sausage on bread and Keppel Dogs to eat and plenty of fun activities for the kids including two jumping castles, the chair swing, the bucking bull and hopefully a climbing wall.

If you would like to order polo shirts for yourself or your children please call into Calen Leading Appliances and see Elma and the crew – they have the shirts in a variety of colours and sizes. These shirts will need to be ordered and paid for by 12th October. A bus will be running around the District to ensure that no one needs to drive if they have a few drinks – please contact Sue Spreadborough on 0428588315 for more details about the bus.

We are also chasing volunteers to help ‘man’ the various stalls – Pindi Pindi School will look after the kid’s stalls on the Saturday but we would like other helpers to man the bar and the BBQ. This will be from approximately 4:00pm – 9:00pm for the BBQ and 4:00pm – midnight for the bar on Saturday night. We also need volunteers for Sunday: Bar 2:30pm – 5:00pm, BBQ 2:00pm until 5:00pm and we will need parents from the school to help with this.

All money raised goes towards Calen School, Pindi Pindi School, Calen Tennis and Calen Ambulance.

If you can help in any way or you have any other suggestions on how to improve the weekend for everyone, please contact Sue Spreadborough. This is a great family day for the whole community so please come along, get involved and enjoy yourself.

**PRIMARY SWIMMING TERM 4**

Learn to Swim, Water Safety and Stroke Correction lessons for students in year prep to year 6 has commenced. All students are expected to participate in this part of the curriculum. A student will only be exempt from swimming under special circumstances such as medical reasons and will need to provide a note. If your child has a sore or open wound, then for health and safety reasons they will not be permitted to swim.

Lessons will be conducted over Term 4 as follows:

<table>
<thead>
<tr>
<th>CLASS</th>
<th>MONDAY</th>
<th>WEDNESDAY</th>
<th>THURSDAY</th>
</tr>
</thead>
<tbody>
<tr>
<td>YEAR 1/2/3</td>
<td>1:50pm – 3:00pm</td>
<td>Prep / 1</td>
<td>Year 3/4/5</td>
</tr>
<tr>
<td>SESSION TIME</td>
<td>Year 5/6</td>
<td>9:00am – 9:50am</td>
<td>9:50am – 10:45am</td>
</tr>
</tbody>
</table>

Please ensure your child is prepared for swimming each week with towel, togs (preferably one piece for girls), sunsafe shirt, plastic bag and additional underwear if necessary. It is preferable that girls with long hair have it tied up or bring a swimming cap. Students are to wear their normal school uniform and change at the start of their lessons.
MESSAGE FROM OUR BSM

The final payment for Student Resource Scheme (SRS) fees and subject fees are now overdue. If you are unable to meet the payment deadline or wish to enter into a payment plan, please contact our administration staff who will be very happy to assist you. Statements will be sent home in the next couple of weeks to families to show what amounts are outstanding. If you would like to know how much you owe before then please contact the office.

This year we have introduced Centrepay & BPOINT as new methods of paying your school fees. Centrepay is a service Centrelink provides where they deduct a set amount of money each week, fortnight or month from your Centrelink payment and send it to the school to be applied to your student's Student Resource Scheme. If you would like more information regarding this or would like to set up Centrepay please phone or come in and see us in the office.

BPOINT is an online payment system which has been setup as an additional payment channel which is available to you to pay your school invoices.

To pay via BPOINT you need to:

• Go to http://www.bpoint.com.au/payments/dete (this is also at the bottom of your invoice/statement)
• Enter the CRN provided on the school invoice/statement (Customer Reference Number (CRN) is printed at the bottom of your invoice/statement)
• Enter the Invoice Number (you will find this on your invoice/statement)
• Enter the Student Name
• Enter amount and select Visa or Master Card
• Enter your card details & click proceed.
• You will receive a BPOINT transaction confirmation for your records.

RUGBY LEAGUE GALA DAY

Last term we had the benefit of having NRL Development Officer Tyson Muscat working with some of our students developing their rugby league skills. Tyson invited our students to participate in a Rugby League Gala Day at Abbott Park on Friday 18th September. Primary students Finn, Hayden, Cameron, Lane, Harry, Damon, Clayton, Jack, Dylan and Kane created the Calen Cannonballs team. Together they played five matches with only 15 minute breaks between the games – the team managed to win one match and tie on the last game. It was the team’s first real game and during the day they came up against some tough competition and even played Proserpine the overall winner for the Gala Day. Congratulations to Dylan and Kane who were named players of the match. It was a long day for the players arriving at Calen School at 7:30am and not returning until 4:00pm. All of the players thoroughly enjoyed themselves and in fact had so much fun, that they can’t wait to play again next year. A very special thank you to Kerri Schimanski, Leah Sturdy and Sharanne Jones for transporting our students to this event with very little notice.
NETBALL GALA DAY

Last term, Calen primary students Abbie, Lilly, Reagan, Paige, Tahnee, Zoe together with Pindi Pindi primary students Brielle, Jessica and Savannah formed a team to play at the Netball Gala Day in Mackay on Thursday 17th September. The girls had a lot of fun and an enormous thank you to Amy Trembath who volunteered to coach the girls. After a few training sessions, the players went from having no experience to learning the basic rules of Netball and how to play as a team. On the Netball Gala Day the team played eight games and the girls got to play all positions to get an idea of each place on the court. At the end of the day all players received a poster and a small gift. All of the girls behaved well and thoroughly enjoyed the day. They have asked if they can do it again next year and with more training sessions they can improve and play even better than this year.

FISHING COMPETITION KIDS ARMBANDS

CALEN CLASSIC FISHING COMPETITION 2015
KIDS ENTERTAINMENT

Pre purchase armbands for $20.00 and $15.00 for under 5’s (available on the night for $25.00 or $5.00 a ride). An armband will entitle the user (1 armband per person) unlimited rides between 5.00pm to 9.00pm on Saturday 24 October 2015. Rides include the swing ride, climbing wall, jumping castles and a mechanical bull. Purchase your armbands from Calen District State College, Pindi Pindi State School or Calen Electrical. A receipt will then be issued which may be exchanged for the armbands on the night. Please note armband payments are non-refundable.

Fish weigh in, glow products, showbags, BBQ food, live music, raffles, fireworks and more all happening on the night at St Helen’s Bowls Club.

Proceeds to: Calen School, Pindi Pindi School, Calen Ambulance, Calen Tennis

All enquiries regarding armbands please contact: Tracey Kostecki on 49587812.

WHAT’S THE CATCH

Calen District State College received $500 from the Ripples of Change award towards developing our “What’s the Catch?” idea. Calen is situated 50km north of Mackay and happen to run the Calen Classic Fishing competition in October each year. Sue Spreadborough brought the fishing competition into existence several years ago in memory of her late husband who loved fishing. The Calen community has embraced the idea and with hard work from Sue it has grown into what it is today.

This gave our Marine class the perfect platform to pitch our sustainable fishing catch phase ‘What’s the Catch?’ Students have in class been asked to research the different species to be caught at the competition. For the end result they had to:
- Produce a palm card on a designated species of fish in the competition, educating the public about bag & size limits and interesting facts about the fish
- Product an A1 poster of the same fish to be used as an education tool on the fishing competition day.

The Marine students then went into the primary classes to start the education process at the grass roots. This was made easier as Calen is a P-12 school. At the fishing competition students will man a marquee educating the general public about sustainable fishing practices. They will be also selling our palms cards for $5 a set which is great value for money.

As we got further down the track we found that to do what we set out to do was out of reach because of costs involved. So we approached Sue Spreadborough from the Calen Fishing Classic for a donation for a banner which would help us advertise on the day. We also approached Mackay City Council, Natural Environment Department – Richard Brown for assistance in funding some printing and the cost of a marquee who was also able to help our cause. The Ripples of Change money paid for the posters. Hence we are on track again to educate the public on sustainable fishing practices.

The Calen Classic is on the weekend of 24th & 25th October - come and join us! The whole project involved a multitude of people, from students in the Marine Aquatics class, to staff, parents and local community members for information. Again we have to thank Richard Brown from Mackay City Council, as without their financial support we would have struggled.

After developing the palm cards we then enlisted local recreational fishing enthusiasts to check that our information was correct and to see if we were heading down the right track. Great feedback was given to help improve our overall design and information.

It all came down to the students and their drive to get their palm cards and posters made to make it come together. Without sustainable fishing practices there will be no Calen Fishing Classic and this has a ripple effect right throughout the whole industry. Experience has shown that a lot of people already know most details such as bag and size limits, but still need that occasional reminder. Education brings our sustainability to the forefront again. Sustainability is only one aspect. Bring home all the rubbish you take out to the reef is just as important. The road not often travelled is more rewarding and beneficial to everyone involved. You have to educate the young to keep track of the old to do the right thing.

Having the students learn about their species and then educate others has had a twofold effect. Students are learning through the process of producing the palm cards and poster but it is reinforced when they have to teach other students and members of the community. Their influence will have a lasting effect.

What’s the Catch has given students within Calen District State College the knowledge about the plights of sustainable fishing. The students have also gained knowledge of the species involved. Calen Fishing Classic has given us a platform for our voice. We hope that the ripples that we are making will turn into a wave of looking after our environment and protecting one of the greatest seven natural wonders of Earth. The idea of being silent when opportunities arise is not the way change occurs. One idea pushed by a few voices can start that ripple of change. We are hoping that people will not only recognise different species but be able to know how many they can take (Bag Limit) and what is the keeping sizes.

Students learnt a lot about fish species, habitats, life cycles, feeding and breeding habits. Students also learnt how to disseminate information into palm card and poster form to encourage the public to learn. Teaching other students has reinforced their knowledge in sustainable fishing practices. At the fishing competition students have to put themselves out there to answer questions and speak in public. Interacting with people of different ages has built up their confidence in themselves and their ability to make change.

Next week at lunch time the Marine Aquatic practices students will be running a few games like, Fish net casting competition, Lure casting competition, Fishing bag limit competition, species identification competition. Looking forward to seeing all students come along and have a go. So what’s the catch…… there is none just come along and have fun.

Cheers,
Shane Ernie O’Keefe
Secondary Teacher

CONSUMER ALERT - ASBESTOS IN CRAYONS

Trace amounts of asbestos have been detected in some brands of children’s crayons that have been imported into Australia. The crayon products in which asbestos has been identified are as follows:

- Dora the Explorer Personalized 32 pack crayons (Figure 1)
- Dora the Explorer Jumbo crayons (Figure 2)
- Arti Crafti 16 piece crayons (Figure 3)
- Peppa Pig 8 wax crayons (Figure 4)
- Disney ‘Frozen’ Jumbo Crayons (Figure 5)
- Disney ‘Mickey Mouse and Friends’ Crayons (Figure 6)

RISK OF EXPOSURE TO ASBESTOS FIBRES

- The traces of asbestos that have been detected in the crayons are fully bound in the crayon wax. Studies have shown that as a result, asbestos fibres would not be released during normal use or as a result of ingestion. This is because the melting point of crayon wax is well above body temperature. Accordingly, these goods are considered to pose a very low risk to humans.

- In line with good practice procedures in handling asbestos containing materials, it is recommended that the crayons be placed in a plastic bag, such as a zip lock bag or in the original packaging if possible, for return. Personal Protective Equipment is not required to be worn.

Schools Officer Position

Your opportunity
As the Schools Officer, Grounds and Facilities you will:

- Contribute to the efficient and effective operation and environment of the school by providing a high level of facilities and grounds care support to the Principal/Business Services Manager.
- Perform a range of activities to ensure that school facilities and grounds are maintained to a high standard of neatness, tidiness, safety and hygiene.
- Contribute to the beautification, enhancement of appearance and safety of the school's grounds.

The Schools Officer will not be required to perform any task that would normally require the services of a qualified tradesperson.

Key tasks:
- Care of lawns and gardens, including regular mowing
- Planting, watering and care of trees, shrubs, gardens
- Preparation, marking and general care of sporting facilities
- General maintenance and furniture relocation
- Daily collection of mail and banking duties

The position of Schools Officer, Grounds and Facilities is part of the ancillary support unit of the school, and reports directly to the Business Services Manager.

Please submit your cover letter and resume prior to 6 October, 2015 to:
Rhiannon Knight
Business Services Manager
Po Box 51
Glenden QLD 4743
Phone: 4964-2339 Fax: 4964-2309

*The Commission for Children and Young People and Child Guardian Act 2000 requires the preferred applicant to be subject to employment screening.*

CREATIVE REGIONS
IT ALL BEGINS WITH LOVE

"He smacked my head around."
"He would kick the dog and scream."

Show that you say NO to Domestic and Family Violence.

DATE: November 6th, 2013 (1:00PM)
VENUE: MECC MACKAY
Bookings: $5.00 Head
registrations@centacare.net

10AM SUNDAY, OCTOBER 11
AT STADIUM MACKAY

The Mayor is calling for a community stand against domestic violence!
The Mackay community will show that “we care” with a group photo at the end of the rally. Bring a hat, sunscreen and water.
Gold coin donations for local support groups will be accepted.
