Welcome back to the new term and I trust that you had an enjoyable break with your families. I would like to extend a special welcome to the new families who have joined us this term and trust that you will settle in well to our community.

By now you will have received your child’s report card. Teachers have worked hard to develop new comments which are aligned with the Australian Curriculum, the standards and the assessment instruments which have been administered in the classrooms. The development of these comments are an endeavour to better reflect the alignment with the Australian Curriculum, where your child is placed in regards to the standards and levels of achievement and what they need to do to achieve a better result. I would appreciate it if you could provide any feedback or suggestions for improvement. I would like to acknowledge the hard work and many hours that the teachers have put in to formulating these comments and Anton Richards for his work in setting up the computer program which enables the compilation of the comments into the reports.

A number of our primary and secondary students attended the Whitsunday Voices Literature Festival on Thursday. I believe that they enjoyed the festival and would have found the experience to be beneficial.

The emphasis on Science, Technology, Engineering and Mathematics (STEM) subjects, including coding and robotics is a priority of the department and is providing a number of on-line courses to upskill teachers. I am pleased to announce that Calen has been selected as a lead school in regards to STEM and digital technology and that seven of our teachers have been selected to undertake these subjects.

Next week we will host the Northern Highway primary cluster athletics carnival and I would like to take this opportunity to wish all competitors the best for a great carnival and the achievement of personal best performances. Our inter-house carnival was conducted at the end of last term and I would like to congratulate all students on their participation. I would like to thank Emma Forster, Nik Ray, Bert Westcott and Christine Simpson for their work in organising the carnival and ensuring that the facilities were available and in peak condition. Thank you to the P&C and the parent helpers who provided delicious food at the canteen and for doing so at the upcoming Cluster Sports Carnival as well.

The oval needs an upgrade after having been damaged as a result of rain and earth worms. The removal and replacing of the top soil, the laser levelling and the planting of new turf is going to be an expensive process. Thanks to P&C Secretary Che Trendell who has successfully applied for a grant of $20,000 which will contribute significantly to the cost of improving our oval.

Have a great fortnight.

Brian O’Neill
Principal
$20,000 grant secured to help restore the school oval - The P&C has been successful in obtaining a $20,000 Community Benefit Fund grant to help fix the drainage issue on the main school oval. The oval has been a concern for a number of years and this grant will help restore it to an appropriate state. Stay tuned for more details as we finalise the plans.

Cluster Sports Day – The Primary inter-school cluster sports day will be held next Thursday 21st July. If you would like to donate home cooking to be sold during the day, or volunteer to help on the day, it would be greatly appreciated.

Casino Night - Don’t forget the Casino night being organised for 27th August. Tickets on sale soon, numbers are limited so be sure to get in early.

Thank you for your continued support of the P&C. If you have any fundraising suggestions, or ideas on resources needed at the school, please feel free to contact a committee member or come along to our next meeting on the 9th August 2016.

Che Trendell
Secretary

PRIMARY CLUSTER SPORTS DAY

The P&C are requesting donations of home cooking to sell as morning and afternoon tea at the Cluster Sports Day on Thursday 21st July. Examples include cupcakes, biscuits, slices, sandwiches, fruit, cakes etc. Please pre-cut items like cakes and slices ready for serving.

We are also seeking volunteers to help at the canteen during the day. If you are able to help for just 30 minutes on the day, or during lunch, it would be greatly appreciated. If you are able to volunteer please complete the form below and return to the school office by Tuesday 19th of July 2016.

Thank you for your continued assistance and support

I am able to assist at the canteen on Cluster Sports day. My preferred timeslot would be __________ to __________.

PARENT TEACHER INTERVIEWS

By now you will have received your child’s Semester 1 Report Card. In order to provide you with an opportunity to talk with your child’s teachers regarding his/her progress, we will be conducting parent-teacher interviews on Thursday 21st July 2016 from 3:15pm until 6:00pm. If you would like an interview with your child’s teachers, please complete the form which was sent home with your child this week and ask your child to take this form to his/her teachers to organise a mutually suitable time. If you cannot make these times, please contact the specific teacher to arrange an alternative.

SCHOOL OPINION SURVEY

The annual School Opinion Survey will be conducted from 11 to 29 July 2016. All families, school staff and a random sample of students will be invited to participate. We encourage you to take this opportunity to have your say about what this school does well, and how this school can improve.

Access details for the Parent/Caregiver Survey have been posted this week. Parents/caregivers are welcome to complete their survey online at the school. Survey queries or requests for translations can be directed to Marlene Senini on telephone 4949 7333 or email mseni10@eq.edu.au

Welcome back.

The final payment for Student Resource Scheme (SRS) fees and subject fees is due next Friday 22 July 2016. If you are unable to meet the payment deadline or wish to enter into a payment plan, please contact our administration staff who will be very happy to assist you. Statements will be sent home in the next couple of weeks to families to show what amounts are outstanding. If you would like to know how much you owe before then please contact the office.

Did you know you can now pay your school invoice through QParents? If you would like more information about QParents or would like to register for QParents please contact me on 49497333 or come in and see me at the school office.

QParents allows parents to connect instantly with their child’s school to access and manage their child’s student information, including:

- Attendance and absence details, as well as the ability to notify the school of an absence
- Behaviour information
- Academic report cards
- Class timetables
- Viewing unpaid invoice details, payment history, and making payments online
- Viewing and updating student details, including medical conditions and address
- Enrolment details

Please remember that students will not be eligible to take home projects which they have constructed at school or participate in extracurricular activities (formal, reward days, camps, excursions etc) if they have fees outstanding or they have not filled in the payment plan section of the Participation Agreement Form and are up today with their payments.

Thank you,

Tammy Fischer
Business Services Manager (BSM)

THE PEASANT PRINCE YR 2/3 EXCURSION

As part of their Literature studies, students in Years 2/3 are reading and analysing a variety of narratives. They are focussing on the language and visual features of narratives from a range of cultures and periods. As part of this study they have the opportunity to attend The Peasant Prince performance at the MECC on Friday 22nd July 2016. This is a great opportunity for our students to experience a live performance. The excursion will occur during school hours. Students will leave the school by bus on Friday 22/7/16 at 8:45am and return to school by 3:00pm. The cost of the excursion for students is $6.50 with a grant from BMC covering the remainder. Students will need to wear their school uniform and bring a packed morning tea and a drink. This is a valuable opportunity for our students, and parents please return the permission/medical form with payment to the office before the excursion.

NORTH HIGHWAY CLUSTER ATHLETICS TRIAL

The Northern Highway Cluster Athletics Trials will be held on Wednesday 20th July 2016 and Thursday 21st July 2016. Primary students who were successful in gaining selection in the Northern Highway Cluster Athletics should have received this week their nomination sheet outlining which events they have qualified for. Attached to the nomination sheet was a combined consent/medical form which needs to be completed and returned to the office before the trials.

Students participating will need to come prepared to attend classes and will be sent down to the oval prior to their events commencing. Students competing in consecutive events may stay on the oval for the duration. Students will not be allowed to stay on the oval unless they are competing. Students will need to wear their green school uniform and bring with them a hat, sunscreen and water bottle.

The Calen P&C Association will be providing catering for the Cluster Athletics day on Thursday 21st July 2016. If you have any queries, please contact Chris Simpson or Emma Forster on 49497333.
YEARS 9-12 BUSINESS EXCURSION

Students studying a digital or business subject in year 9-12 have been invited to attend the Meet the Business Leaders Forum at CQ University Sydney Street on Tuesday 26th July 2016 from 9:15am until 12:30pm. This is an opportunity for students to explore career options in business, accounting and digital media. The event is compulsory for all students and is free of charge. Morning tea will be provided to our students at the University. Students will leave promptly by bus at 8:30am and return to school by 1:30pm. It is an expectation that students will be dressed in full uniform and will adhere to all school rules at the event. Consent/medical forms have been sent home this week and need to be returned to the office before Thursday 21st July 2016. Please do not hesitate to contact the school if you have any questions.

BIOLOGY 2016

This term our Biology students are conducting experiments on plants. These experiments will mostly be in the science lab but some may be scattered around the school. These outdoor experiments will be clearly marked and cautioned off. Students are asked to leave them alone as they form part of the Biology student’s assessment. Thank you for your co-operation from Biology Class 2016.

DISTRICT ATHLETICS 13-19 YEARS

Again a big thank you to all students, parents and staff who assisted with our school Athletics Carnival last term! This year the District Athletics Carnival for 13-19 years will be held at Mackay North SHS on Monday 8th and Tuesday 9th August 2016. A note with more information will be sent to students who qualified next Friday.

2016 EARLY SCHOOL LEAVERS SURVEY

The Queensland Government is conducting its annual statewide survey of students who left school in Years 10, 11 and prior to completing Year 12 during 2015. The Early School Leavers survey is a short, confidential survey that collects information about what young people are doing the year after leaving school. The information from the survey helps our schools to understand the pathways young people follow after leaving school and to plan services to support transitions into study or employment for our students.

Between July and August 2016, our students who left school in Years 10, 11 and prior to completing Year 12 last year, can expect to receive an invitation to complete a web-based survey or a telephone call from the Queensland Government Statistician’s Office to complete the survey. Please encourage early school leavers to take part.

For more information, visit www.education.qld.gov.au/nextstep/ or telephone toll free on 1800 068 587.

AUSTRALIAN NATIONAL LEADERSHIP CAMP

During the school holidays six of our secondary students (Emmalese, Shania Jacob, Isaac, Sasha and Jack) travelled to Sydney to participate in the National Leadership Camp run by the Burn Bright organisation.

The group departed from the Mackay Airport on Wednesday 6th July with a direct flight to Sydney, where they were collected by the NLC camp delegates and taken to Vision Valley where they stayed for four nights. While there, the students participated in long days (7am-10pm) filled with group activities and leadership talks, helping them become leaders.

There were a total of 80 students from around Australia and New Zealand at the camp, and these participants were broken into eight different tribes (Titans, Vikings, Amazons, Spartans, Crusaders, Highlanders, Gladiators and Knights). Every tribe of 10 students, were then assigned three Burn Bright Mentors. Our students returned home late in the evening on Sunday 10th July 2016 and were all raving about making lots of new friends, the fun tribal activities and overall how excellent the whole camp experience was.

### THURSDAY SCIENCE

In Year 9 Science this term we are looking at bodily systems and homeostasis. Homeostasis is how the human body maintains its inner body balance. There are lots of processes such as Insulin and Glycogen which are responsible for monitoring glucose levels in the blood. Body temperature, calcium levels and water levels are all maintained at constant levels.

To understand such processes, students need a little background knowledge into all of the body’s systems. This Thursday the 21st July 2016, I will be doing a toad dissection after lunch eating time in the science room. If any students would like to come and watch, please do. All are welcome. I can project the image up on the big screen so if you are squeamish, at least you don’t have to look directly at the victim.

### CDSC FUNDRAISING GROUP

The CDSC Fundraising Group is having a **Krispy Kreme** fundraiser to raise money for our school. Everyone loves a good doughnut and we all love Krispy Kremes. Prices per dozen are $24 for original glaze and $28 for assorted, which consists of 6 original, 2 each of chocolate iced, chocolate iced with sprinkles and strawberry iced.

Each amount includes cost of donuts, packaging and freight. The donuts will be delivered fresh. The school will receive $5 from every dozen original glazed and $7 from every dozen assorted sold. This is a great fundraiser for the whole family to be involved in. I am sure friends, family, work colleagues and neighbours will all love to buy some and help us out.

Order forms have been sent home this week and all completed orders with monies, need to be handed into the office by 19th August 2016 for fresh delivery of our donuts on Monday 5th September 2016. If you have any questions please do not hesitate to contact Melanie Vandaele on 0417 731 687 or email bethanieboop@hotmail.com
END OF SEMESTER REWARDS DAY EXCURSION
THRASS Parent Session

Back by popular demand!

Due to the high levels of parent interest that were generated after the THRASS parent presentation it has been decided that a repeat session will be offered to cater for those parents who were unable to attend the first session. This session will be held on a non-kindy day. We hope to see you there!

When: Wednesday the 3rd of August (Week 4)
Where: Calen District State College
When: 8.45-10.45am

THE S.W.A.N. ROOM

Welcome back to our parents and students - I hope everyone had a great holiday. We have so many exciting and wonderful things happening this term in A10, The SWAN Room. Firstly the students and staff of The SWAN Room would like to sincerely thank Patricia Fenech and The Leap Community Club for their generous donation of a wooden table, chairs, garden boxes, soil, vegetables and gardening utensils. Also a big thank you to Mrs Vicki Durnsford, Mrs Abby Munchow and Mrs Melanie Vandaele for supporting our room and kindly donating plants and time - thank you ladies, it’s contributions like these that make our room a great place for our students to learn and to grow. Watch this space in coming weeks - the students will be showing off some of their lovely fresh vegetables.

Have a great week, Dot, Abby Vicki 😊
**INDIGENOUS ACTIVITIES**

Indigenous dance and activities are held every Tuesday at 1:15pm in the SWAN Room (A10) with Mrs Donovan and Mrs Rooney.

We encourage and welcome all students to participate.

**SCHOOL BANKING**

Welcome to Term 3 — it’s hard to believe that we’re already halfway through the year.

Commonwealth School Banking has announced that Prize Lights have appeared in the Outback sky, and the Dollarmites are giving those who demonstrate regular savings behaviour the chance to win spectacular prizes.

**How to enter**

Students must simply make three or more School Banking deposits during Term 3 for a chance to win one of the Star Saver prizes including 50 camping kits, 90 instant cameras and 200 magazine packs.

What’s more, students who complete the fun Stargazing online activity, along with making their three deposits during Term 3, will also go in the separate draw to win one of 50 Supernova prizes – PlayStation 4 packs. Students can complete the Stargazing activity online at any time during Term 3 by visiting commbank.com.au/prizelights

We’re also giving your school a chance to win one of 75 bags full of sports equipment, valued at $200, when at least one of your students make three School Banking deposits during Term 3.

**FRIDAY SECONDARY SPORTS**

Secondary students will be given Sport Choices Forms next week, so that they can choose their preferred Friday sports. All secondary students are given the opportunity to play sport for the last two periods on a Friday every fortnight. The first Friday Sports will commence next week on the 22nd July 2016.

**CANTEEN ON CLUSTER ATHLETICS SPORTS DAY**

The Canteen would like to advise all students and their family that there will be NO CANTEEN available on Thursday 21st July 2016, as the P&C Association will be catering for the Cluster Athletics Sports Day on this date. Should students need to purchase morning tea or lunch food on the 21st July, they will need to do this at the P&C Food Stall.

**AUSKICK PROGRAM**

AFL Queensland will be running an AUSKICK program at our school this Term. The sessions will be run on Monday afternoons from 3:15pm-4:00pm, commencing on 25th July 2016 (week 3)

An AFL Development Officer will be at our school next week to speak about the program to our primary students.

**CALEN AMBULANCE COMMITTEE CENT SALE**

The Calen Local Ambulance Committee will be holding their annual MONSTER CENT SALE at the Calen District State College on Sunday 14th August 2016. The doors open from 12:30pm for a 1:30pm start. Admission is $5 which includes afternoon tea and a lucky door ticket. There will be a “pick a box”, snap raffles and major raffle. The major raffle consists of: 1st Prize - $400 Woolworths Gift Card; 2nd Prize - $100 Mackay Wholesale Meats Gift Voucher. Donations of cakes for afternoon tea and cent sale prizes will be gratefully appreciated. Cent sale prizes can be left at the Calen Post Office and Calen Electrical Sales and Services.

WHEN SHOULD I CALL 0-0-0

Ring Triple Zero (000) if:

- A crime is happening now
- When your life or property is in immediate danger
- When the event is time critical, for example a fire

Getting police to the scene of any incident quickly will increase your safety, reduce the loss of evidence and allow consideration for deployment of the police dog to track the suspects. Start this process by calling Triple Zero (000).

Any other matters that need to be reported to police post-incident and when no suspects are not likely to be in the area anymore can be reported to PoliceLink on 131 444.
