PRINCIPAL’S MESSAGE
29/07/2016

At Calen we are supportive of the co-curricular and extra-curricular activities in which our students are involved. Many of these activities, such as debating, music, drama, creative writing and radio presenting can clearly be seen to have a direct influence on the learning which takes place in the classroom. However that does not mean that other activities are not important or do not have an impact on student learning. Sport, whether it is team or individual, also provides many educational opportunities for students – team skills, resilience, endurance, goal setting, the pursuit of achieving a personal best and the development of intrinsic satisfaction. There is an old saying and you are no doubt familiar with it – “A healthy body, a healthy mind” but it is true as it brings into play a balanced life. Co-curricular and extra-curricular activities provide an outlet and balance against the pressures of work and study.

Last week a number of our primary students participated in the cluster athletics carnival and achieved personal bests. Well done everyone and congratulations – Calen won the Aggregate Pennant – this has replaced the old shields. Congratulations to those students who achieved personal bests and to those of you who achieved gold, silver or bronze medals in the Age Championships – Hannah (Bronze, Girls, 9 years); Jack (Bronze, Boys, 10 years); Amy (Bronze, Girls, 10 years); Sam (Silver, Boys, 11 years); Jorja (Gold, Girls, 12 years); Madison (Bronze, Girls, 12 years); Kane (Gold, Boys, 12 years); Damon (Bronze, Boys, 12 years); and Hayden (Bronze, Boys, 12 years). Special congratulations to Jorja who set new records in discus, 100 metres and 200 metres (12 years girls). Well done, we are proud of your achievements. Best wishes to all students who will represent the cluster in the Mackay and District Athletics Carnival.

Year 3 student Hayley recently won the overall Go Girl Racing Australia series in the 7-9 years age group in the 65cc section. She also won the female Queensland State Championship for the 7-9 year old 65cc. Competing at such a level is expensive and Hayley is fortunate in being sponsored by Dunlop Australia, Holeshot Factory Racing (Brisbane), LKI, Motorcross Vezoz, North Queensland Independent Fuel Supplies and Future Motorcycles. Last Monday, Hayley presented some of the sponsors’ promotional pieces to students who correctly answered questions regarding safety precautions for motorcycle riding. She has also donated a book titled “Rev Girl” written by Leigh Hutton to the library. Well done Hayley, we are proud of your achievements and thank you for sharing your gifts with the other students.

On Tuesday the secondary Business students attend a Business and Accounting seminar at CQUniversity. I know that the students enjoyed listening to the speakers, one of whom was the current CEO of the North Queensland Cowboys. On Thursday, the year 11 and 12 students attended the Queensland Mining Expo at the Showgrounds in Mackay and the students enjoyed the opportunity to speak with potential employers.

Last term we enjoyed the company of two students from Germany, Jonas and Alina. I know that their host families enjoyed having them as part of their families and our students enjoyed interacting with them. Both students enjoyed their experience in Calen and have been featured in a newspaper article in Germany. David Keeble has translated the article and both articles (one in German and one in English) are displayed on the noticeboard in the foyer of the office.

Have a great fortnight.

Brian O’Neill
Principal
A huge thank you is sent out to the parents who donated home cooking for the Northern Highway Cluster Sports Day last Thursday. Also, thank you to our helpers Mel Vandaele, Che Trendell, Peta Sturdy, Julie Ferlazzo, Stacy Hall, Tony Lindsay, Nicole McIntyre and year 12 students who helped out.

The long awaited figures are back from the Go Cart Derby. We are pleased to announce that the Go Cart Derby raised $2,144.00. This day was a great fun filled family day, which can only get bigger and better next year! Keep a close eye out on the highway in coming weeks, for a new all year round tribute to the Go Cart Derby.

In the coming weeks we are looking at holding a P&C working bee on a weekend to be advised. The school has been working on a list of jobs from painting seats to painting certain sections of the CPA. Every year we are asked to contribute man hours for simple jobs that are unable to be done in school hours. A note will be sent home soon, with the set date and hopefully parents and family members might be available to spare an hour for this worthy cause.

We hope everyone will get behind the Casino Night on the 27th August 2016 and tickets are now on sale at the school office – it’s sure to be a fabulous night!

Our next meeting is Tuesday the 9th August 2016 - hope to see you there!

Casey Lindsay
President

CDSC FUNDRAISING GROUP

ALLY CAT FRIDAY LUNCHES

A reminder to students and parents, that Ally Cat offers a lunch service every Friday - for delivery to the school at 1:00pm. Orders need to be put into the Ally Cat box beside the office before 9am on Friday mornings.

THE PEASANT PRINCE

On Friday 22 July 2016, the Year Two and Three students travelled into Mackay to watch, “The Peasant Prince”. For many of the students this was their first opportunity to experience a live theatrical performance, and one that I expect they will remember for a long time to come. I was very proud of our students’ behaviour, they were a credit to the school.

I would like to thank Mrs Galea and Mrs Trembath for assisting on the day and our parents for valuing this learning experience.

Upon our return to school, I asked the children to take a moment to record their thoughts and feelings about the performance, and have shared a few here.

“The noises were very funny. When Li left his family it was very upsetting. It was very clever the way they used the curtain.”
Maddison

“It was my first time at the theatre. I loved it!”
Bianca

“At the show, I liked the curtain that had pictures. I liked how they used heaps of expression and that they got dressed really quickly. I liked the extra scenes.”
Jack

Queensland Mining Expo

On Thursday the 28\textsuperscript{th} July 2016, the year 11 and 12 students attended the Queensland Mining Expo (QME) at the Mackay Showgrounds. The students had from 11:00am to 1:30pm to explore over 200 exhibits from simulators, air compressor guns shooting coolers to laser beams on coal, food stalls and all things mining. Students learnt skills like how to use certain tools, changing a tyre using a rattle gun, what specific equipment is used for, safety procedures, how to travel by working in the mines and many more. A lot of students entered in the many competitions available, like a signed Cowboy’s jersey, Colorado ute, utility tools, eskies and much more. Overall the students enjoyed the opportunity and the drive home was finished off by a stop in at McDonalds. A big thank you goes out to Mrs Spreadbrough for organizing the day.

Bridge Building

The senior furnishing and engineering class, with the guidance of their wonderful teacher Mr O’Keefe, has built yet another bridge for the primary school students to cross over to the playground in the wet season. A bridge was built for the preps to use to get to and from the playground at the beginning of the year, but another was asked to be built for the drain. This bridge will also be of use when there is a fire evacuation.

The funding for this bridge was donated by the Secondary Student Council. We would like to thank Mr O’Keefe, the Secondary Student Council and the senior furnishing and engineering class.

FUNDRAISING FOR LEUKAEMIA

Tristan in year 11 is collecting donations for the Leukaemia Foundation's Shave for a Cure. Tristan is part of the Mackay Scouts Group who are actively trying to raise $5,000.

If you have a few dollars to spare, a donation box is situated in the school office on the admin desk next to the sign in registers.

Thank you for your support.
YEAR 7/8 GALA SPORTS DAY

We have nominated our year 7 and 8 students to attend a Gala Sports day in Mackay on Thursday 15th September 2016. Boys will be participating in rugby league and girls will be playing netball. In preparation for this event we are offering extra training on Thursday afternoons from 3:00pm-4:00pm. Training dates will be: 04-Aug, 11-Aug, 18-Aug, 25-Aug, 01-Sep and 08-Sep. Miss Forster will supervise the netball training and Mr Ray will supervise the rugby league training. Permission forms have been sent home with the year 7 and 8 students to enable them to take part in the training after school. Please note this training is NOT compulsory but it is a chance for the two sports teams to work with students in the other grade under the guidance of an experienced coach. For boys playing rugby league, mouth guards and head gear are recommended but are not mandatory. You will need to complete the permission form to allow your child to play without a mouthguard and/or head gear.

MOTIVATIONAL MEDIA

On Friday 5th August 2016 our Year 11 and 12 students will be travelling to Northern Beaches State High School to see a presentation entitled “Motivational Media”. This presentation is aimed at young people and encourages them to strive harder to attain their goals. This presentation is very exciting and we have always had a positive response from students after they have returned. We feel it is a worthwhile cause therefore the school will be paying all expenses. Students will leave the school at 11:45am and return by 3:00pm in time for normal buses. Permission/medical forms have been sent home with the students and need to be returned to the office before 2nd August 2016. If there is a reason they cannot attend please contact Mrs Spreadborough.

We also visited on the 19th April 2016 for Year 7 & Year 8 for HPV dose 2 and Chickenpox. Thinking about starting a TAFE or university qualification? If you’re considering studying, you probably have a few questions. Perhaps you know that we’re globally recognised and ranked in the top 3% of universities worldwide, but have a few questions about your chosen course’s entry requirements, teaching staff or facilities.

Or maybe you’d just like to explore your local campus, meet current students, get career advice and scout out the best study options for you. Whatever you’re looking for, you can find it at a CQUniversity Open Day.

CQUniversity is looking forward to chatting with students and the wider community about their wide range of programs and courses. All of this will take place at CQUniversity Mackay Open Day.

**Date:** Saturday, 13 August 2016  
**Time:** 9:00am – 1:00pm  
**Location:** CQUniversity Mackay City, Sydney Street

With both staff and current students on hand to answer those tricky questions, there has never been a better time to visit CQUniversity Mackay.

**ADVANCING EDUCATION ACTION PLAN**

The Advancing Education Action Plan outlines the strategic direction and actions Education Queensland are taking to deliver an outstanding education for every Queensland state school student.

During a statewide consultation in late 2015, Queenslanders highlighted the pivotal role our state schools play in establishing strategic partnerships in the community to support learning through real world experiences. A new theme, Partnering for Success, is now included in the Action Plan.

Community feedback also told Education Queensland that our state schools must continue to innovate to meet the demands of a globalised world and that they are ready to be our partners in preparing every student for the opportunities of changing technologies and new industries.

Education Queensland has introduced plans “#codingcounts and STEM” which will prepare young Queenslanders to take advantage of the many opportunities a knowledge-based economy offers and become the entrepreneurs of tomorrow.

This is just the start and our school community is encouraged to engage in Education Queensland’s vision for the future and to work closely to make a difference for every child and young person. Please visit [www.advancingeducation.qld.gov.au](http://www.advancingeducation.qld.gov.au) to learn more about the exciting initiatives.

STAFFROOM FOR IMPROVEMENT

Our school’s staffroom is an important part of our school and community. It is used not only by our staff, but by the P&C, Queensland Electoral Commission and other community organisations. From this use and general age, our staffroom is getting a little tired.

QT Mutual Bank is giving every Queensland school an opportunity to win a $20,000 staffroom makeover. This August, show your teachers how much you appreciate their hard work and register to play in QT Mutual Bank’s Staffroom for Improvement competition. With a $20,000 staffroom makeover and other great prizes to win, your participating is the ultimate token of appreciation. Voting for your school is fun, quick and easy. The more you play and the more players you get to join, the greater your chances to win! To register your interest, please visit: www.staffroomforimprovement.com.au
